

Help Us Expand:

In order to meet the ever-increasing demand for services in the area, the EAUS thrift store must continue to grow and expand, and we need your help. The store, which is open to all, sells reasonably priced clothing, furniture and home goods and generates 40 percent of the funds to support EAUS's programs. Come see us Monday – Saturday during regular business hours and help us support the community by shopping our merchandise or donating good, clean used items for resale. We are located at 218 W. Spotswood Trail in downtown Elkton.

In order to serve more people, we are currently accepting donations as part of a capital campaign to move the EAUS thrift store to a larger location. **For more information and to find out how you can help**, see our Facebook page or call EAUS Administration at 540-298-8685, extension 3.
